PROJECTS

Weather Website	06 Jan, 2025 - 12 Feb, 2025
Key Skills: HTML5 CSS Javascript	
Project Link: https://github.com/prashantsuri01/Weather_Site.git	
A responsive web application that displays real-time weather data for any city using a public weather API. Users can search for a city and instantly view temperature, humidity, wind speed, and weather conditions. Built with HTML, CSS, and JavaScript, the site emphasizes clean UI, API integration, and dynamic content rendering.	
Amazon Clone	
Key Skills: HTML5 CSS Javascript Java	
Project Link: https://github.com/prashantsuri01/Amazon_Clone.git	
A responsive frontend replica of Amazon's shopping interface, built with HTML, CSS, and JavaScript (or React.js if used). Features product listing, search & filter, add-to-cart functionality, and an interactive, user-friendly design. Emphasizes modern UI/UX principles for a seamless shopping experience.	

POSITIONS OF RESPONSIBILITY

Public Relation Head
As a PR member of the ACM(Association of Computing machinery) technical club, where I play a vital role in promoting the club's events, activities, and achievements to the college community and beyond. My work is to create buzz around our initiatives, foster a sense of community, and establish the club as a hub for innovation and learning.
Marketing Head in NEEDS
I'm proud to be a volunteer at NEEDS, which is a non-profit organization, dedicated to providing free elementary education to needy students, empowering them to break the cycle of poverty and build a brighter future.
